

Texas State Society
2010 Audit Committee Report

In accordance with the Constitution and By-Laws of the Texas State Society, four members (none of whom served as members of the Executive Board) were named to the Audit Committee. The members of the Committee were: Sigrid Gonzalez, JaneAnn Henry, Sery Kim, and Patricia Villarreal.

The Audit Committee met on Capitol Hill on April 16, 2010, and reviewed the Society's finances. We worked with the Society's Treasurer, Jennifer Daniels, to identify and, if necessary, to rectify any discrepancies or other issues with this year's transactions. We found the books to be in good order, and I am happy to report that the state of the Society's finances is sound.
